

Two ways to play

Flashcard drill

Cut out the Braille pattern cards. Look at each one and try to say the letter before checking the matching Letter card.

Memory Match game

Cut out both decks, shuffle them together face-down, and play a matching-pairs game — just like the Memory Match game in the app, but with real cards.

Printing tip

Print on cardstock if you have it — it holds up much better to repeated shuffling and cutting than regular paper.
